

2014 Maintenance Recap:

The concrete sidewalk has been fully repaired and passed city inspection. Thanks so much for understanding as the pool closed a little early to accommodate that work.

2015 Pool Opening:

The pool opening and the work party will be announced in the next newsletter, due out on April 1st. The work party will be similarly organized as last year, but one hour shorter, tentatively 9am-11am (instead of 9 to noon).

Non-Member Pool Usage:

In 2014 we had a minor problem with non-members using the pool by jumping the fence or just asking to be let in. Please remember that this practice is a major liability to all the pool owners, so keep an eye out for it! Of course, accompanied guests of pool owners are welcome.
