

KIRKWOOD SPLASH

Apr - Jun 2016

Work Party: Each pool member is requested to come and participate in opening the pool for the new swim season. Participation in the work party can be done in one of a three ways:

Option 1: Come, sign-in, and perform a job/task from a list of projects (see list)

Option 2: Come early, sign-in, and bring some of the materials that are needed for the work party (see list)

Option 3: stay at home and pay the \$20 work party assessment

We hope that everyone can attend the work day party to do a job or drop off materials. It's a great way to get to know the other members.

Pool Parties: Available M-Th from 7-10pm. Free for groups smaller than 25 with refundable deposit. Max site capacity is 62 persons. A party must have a 1:12 lifeguard to party attendee ratio or better. Proof of lifeguard procurement required one week prior to party. Contact Heidi to schedule.

Maintenance: The water company required us to add a back flow prevention valve for the pool's water line.

This was a required upgrade.
