

KIRKWOOD SPLASH

Oct - Dec 2018

Pool Site Refresh:

We've heard lots of good feedback on the new blue look of the pool water and the updated ramada. Thanks to everyone who helps make our pool a great place.

As previously communicated, the pool will be open later this year—to balance out the late start. Please, go use the pool as much as you can in October, so that the extension will be well justified.

Year End Meeting:

Our year-end meeting is scheduled for Oct 22nd. We encourage attendance so that we can get feedback on what's working or not, so that we can make improvements.

Opening & Closing for Summer 2019:

We are always looking for a trust-worthy youth to provide opening and closing services to the pool during the summer swim season. It is usually a great summer job for the youth. If you are interested, please reach out to Rick Guarino, or anyone of the board members.
